

CLUB CHAMPIONSHIP RULES 2019

Playing in the BVTC Tennis Tournament is a great way to not only play tennis in a fun and competitive environment but also an excellent way to meet new people.

- The BVTC tournament is restricted to adults (19 and over)
- Members may compete in more than one category. Singles, doubles or mixed.
- Please sign up via email to yenn Tenn@gmail.com. Please make sure you state the category you are interested on entering.
- Members are responsible for scheduling their own matches.
- Participants have to book the courts as per usual, there is not extra time allowed for Tournament matches.
- Pro-sets up to 8 games (with a margin of 2 games) for all matches except finals.
- Best out of 3 sets for the final matches.
- Draws will be posted online so players and members can follow tournament progress.
- Each side (singles or doubles) should bring a new can of balls to each match. The winning side takes the new, unopened balls, which are then used for the next round of play. For the final round, the Club provides new balls.
- After your match please report your score via email to yenn Tenn@gmail.com
- There is a specific time frame to schedule each round of matches. (Starting the week of July 22) This ensures that each tournament category will finish by the Finals Weekend (September 8th). If you are unable to complete your match on time, you must forfeit. **Please play your matches by the scheduled deadline! Make sure that you are available and willing.**
- For the Finals: The draws and match start times will be posted on the website. It is the responsibility of players (and their doubles partners) to be on time for their matches.
- Dates:
 - July 15 - Registration Deadline
 - July 19 - Draws Posted
 - TBD - First Round Deadline
 - TBD - Second Round Deadline
 - TBD - Third Round Deadline
 - September 8 - Finals

Please Note: There will be no substitutions of players once a tournament has started.
