

BAYVIEW VILLAGE TENNIS CLUB – REOPENING RULES OF PLAY*

1. Members will only be allowed to play tennis and book courts at the club if they have completed the liability waiver, declaration of health, and acknowledged these Rules of Play.
2. Court booking will be done online from the BVTC website. There will be no attendant booking or clipboard paper booking at the club. Members will have access to the courts by unlocking the gate with the security code provided with their receipt of booking. There will be no Guest booking this season.
3. Only members with prearranged online court bookings are permitted on the club property, and only immediately before & after the booking. Socializing at the club is not permitted. No drop-in play is permitted.
4. Members who bring in non-members (except on public hours) can have their membership revoked. No spectators are allowed at the courts. Public Hours: Sat & Sun 4 – 7 pm. Holidays' 4 – 6 pm)
5. Members are expected to properly sanitize their hands prior to entering the club and before & after touching any potentially contaminated surface (including but not limited to gates, locks, door handles). The club will attempt to provide hand sanitizers, but everyone should be prepared to bring their own.
6. Members must maintain a safe (6 foot/2 meter) distance while at the club.
7. Singles only play will be allowed (Stage 1 - Toronto Public Health).
8. Members must bring everything they require with them and take everything they brought away with them (including the tops from ball cans). The clubhouse and the washrooms will not be open. Balls will not be provided. Drinking water will not be accessible.
9. Members are responsible for bringing their personal protective equipment (PPE). Members are encouraged to wear PPE when not playing.
10. Tennis balls are a potential source of disease transmission. It is required that each individual have their distinctly marked tennis balls. Only your own balls should be handled by you. If a ball comes near you from another court, return it with your foot or racket only. Return your partner's balls to them with your racket only. Other people should do the same with your tennis balls.
11. Pre-arranged private coaching lessons will be available through Peter Nielsen ([416-613.5487](tel:416-613-5487)) on court 6. The coach will be able to provide you with details. There will be no clinics at this time. Only the coach will touch the tennis balls. Stage 4 members may take a lesson together.
12. Members should review the [City of Toronto Guidelines for players at tennis community clubs](https://www.toronto.ca/wp-content/uploads/2020/05/8e17-tennis-community-club-court-covid-19-guidelines.pdf) <https://www.toronto.ca/wp-content/uploads/2020/05/8e17-tennis-community-club-court-covid-19-guidelines.pdf>

We are looking forward to another great (but shorter) year at Bayview Village. It all depends on our members. We will be closely monitored by the City, Parks & Recreation. If we are not practicing safe tennis, we risk our permit being revoked.
